

Cornerstone Academy Preparatory School

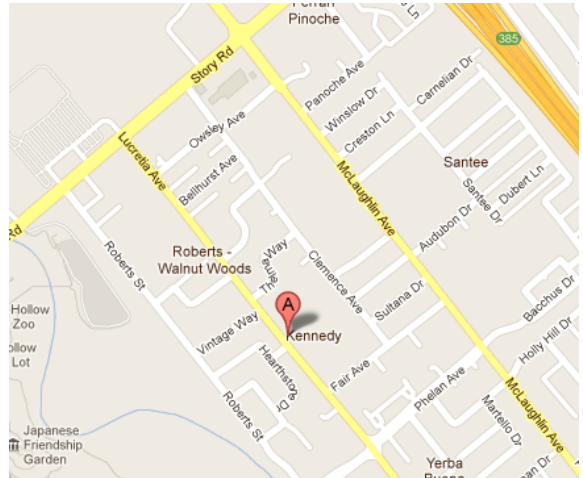

"College Preparation Begins In Kindergarten"

January 24, 2012

Dear Cornerstone Families,

In case you were not able to attend our Facilities Meeting on January 18th, here are the details about our new site:

- For the 2012-13 school year and beyond, Cornerstone Academy will be located on the campus of Kennedy Elementary. Located at 1602 Lucretia Avenue, our new site is 1 mile away from our current site. According to the Franklin-McKinley Administrator of Facilities and Construction, Victor Sandoval, this will be our permanent home.
- Our new facility will include many new benefits, such as: larger portables with restrooms for our Kindergarten classes, a Kindergarten playground, a new playground for Cornerstone 1st-6th graders, and a multi-purpose room which will be used for lunch and larger meetings. We will also be allowed to use the Kennedy school library.
- The move may affect our start time slightly, as we need to work out our schedule with the other schools in the area so as to minimize traffic. We will advocate during these discussions to identify the most effective time to facilitate a smooth drop-off process for all our parents and students.
- Overall, we are excited about the move and the opportunity for facilities improvements that will enhance the Cornerstone learning experience for your child. We realize that families with students currently walking to school may be impacted and we would like to offer our assistance. If you like to meet with other parents that may have similar concerns and live in the same area, please fill out the bottom portion of this sheet and return it the main office no later than Friday, February 3rd. We will then try to coordinate a meeting for families to meet and possibly work out carpool arrangements.

Thank you for your continued support, and please let us know if you have any questions.

Sincerely,

The Cornerstone Academy Team

I would like to meet with other families in my area to discuss potential carpool arrangements.
